\* This deficiency consists of Cash and New Consols appropriated out of the Funds in Court, under the authority of various Acts of Parliament, and of a loss (of £7,905 16s. 11d.) arising from a deficiency in the accounts of a former Master of the Court of Chancery in Ireland, provided for by Act 23 & 24 Geo. III., c. 29 (1783), and 30 Geo. III., c. 41 (1790). The Consolidated Fund is liable for the amount of the deficiency, in the event of the Funds in Court being at any time insufficient to meet payments to sailors.

† This deficiency, which is uncovered by any formal liability of the Consolidated Fund, is the result of a double payment of £7 2s. 3d., inadvertently made in 1867 by a former Master of the King's Bench Division and an overpayment of one shilling in 1877, and one penny suspense, Chancery Division.
